SUMMARY

Motivated and analytical B.Tech (Computer Science & Engineering) student with a strong foundation in software development, data structures & algorithms, databases and cloud fundamentals. Seeking a Software Engineering Internship at Oracle to contribute to cutting-edge cloud applications and enterprise-class software, while honing skills in Java, Python, SQL and scalable systems in a distributed environment.

EDUCATION

Anurag University, Hyderabad — B.Tech in Computer Science and Engineering
CGPA: 9.93 / 10 | Year: 3rd Year (Expected Graduation: 2027)

Relevant Coursework: Algorithms & Data Structures, Database Management Systems, Operating Systems, Cloud Computing, Object-Oriented Programming

TECHNICAL SKILLS

- **Programming & SD & ALGO:** Java, Python, C++ (basic) | Data Structures & Algorithms, Object-Oriented Design, Multithreading, Complex Problem-Solving
- **Databases & Backend:** SQL, MySQL, MongoDB, Database Systems, Query Optimisation, Relational Design
- **Web & Cloud Technologies:** HTML5, CSS3, JavaScript (basic), REST APIs, Node.js, Express.js.
- **Tools & Environments:** Git/GitHub, Linux/Unix, Packet Tracer (Networking basics), VS Code.
- **Soft Skills:** Team Collaboration, Problem Solving, Analytical Thinking, Quick Learner.

PROJECTS

1. Network Simulation and Configuration (Mini Project)

Tools: Cisco Packet Tracer

- Designed and simulated a network with routers, switches, and multiple subnets.
- Configured VLANs, DHCP, and static routing for efficient data transmission.
- Implemented basic network security using ACLs and firewall configurations.
- Monitored and troubleshooted connectivity issues to maintain optimal performance.

2. Farm Care – AI Plant Health Analyzer

Tools: Python, OpenCV

- Built an AI-based model to analyze plant leaf images for pest infection and health status.
- Applied image processing and ML techniques for feature extraction and classification.

ADDITIONAL INFORMATION

- **Certifications :** Cisco Networking Essentials ,Introduction to Cybersecurity – Cisco Networking Academy ,Google Cloud Gen AI – Google Cloud, Operating Systems (NPTEL, IIT Madras) – Silver Badge ,DBMS (NPTEL) – Silver Badge.
- **Strengths:** Problem-solving, Analytical thinking, Team collaboration, Quick learning.
- **Interests:** Artificial Intelligence, Full-Stack Development, Cloud Computing, Open-Source Projects.
- **Hackathons & Leadership:** Winner – Avinya National Hackathon; active participant in inter-college tech events , Vice-President of Unstop Igniters Club , Co-ordinator of Career Odyssey Club.
